It would be preffered if the applicant made his arrangements through the American University or Research Institution with the help of his/her professor or sponsor. After arrangements have been made, then the applicant would come to the Rosztoczy Foundation for a scholarship to cover his traveling expense and his expenses in the United States. If you have already done this, please describe what arrangements have made, including where and with whom.

I certify that the information provided on this application and any attached documents is true and accurate to the best of my knowledge and understand that omissions or falsifications may result in withdrawal of a decision to accept me. I further understand that I must request and provide official transcripts from **all** previous colleges or universities attended before I may be granted a scholarship.
